## **DETAILED ACTION**

### ***Claim Rejections - 35 USC § 101***

3. 35 U.S.C. 101 reads as follows:

Whoever invents or discovers any new and useful process, machine, manufacture, or composition of matter, or any new and useful improvement thereof, may obtain a patent therefor, subject to the conditions and requirements of this title.

4. Claims 2, 3, 5-12 and 14-17 are rejected under 35 U.S.C. 101 because the claimed invention is directed to non-statutory subject matter.

In claim 14, applicant positively recites a combination of a floatation apparatus with a pet by setting forth "**A floatation apparatus comprising ... a pet**" (emphasis provided).

Applicant is reminded that claiming a living being/animal in a claim is not permitted.

### ***Allowable Subject Matter***

5. Claims 18, 41-53 and 57 are allowed.

### ***Response to Arguments***

6. Applicant's arguments with respect to claims 2, 3, 5-12 and 14-17 have been considered but are moot in view of the new ground(s) of rejection.

### ***Conclusion***

7. Applicant's representative, Mr. Dudding, is invited to optionally contact the Examiner to discuss a claims' amendment that would advance the prosecution toward an expedited allowance.

Art Unit: 3617

8. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
